

REMARKS

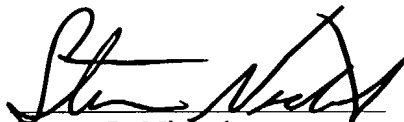

The present amendment is prior to an examination of this application on the merits and is filed within three months of the filing of the referenced patent application. This amendment is made for the sole purpose of adding a priority claim under 35 U.S.C. § 119(e) that was omitted from the application as originally filed.

The present application is related to and claims priority under 35 U.S.C. § 119(e) from previously filed provisional patent application, Application No. 60/448,155, filed on February 14, 2003, entitled "METHOD AND APPARATUS FOR EXPANDING FUNCTIONALITY OF CONTENT RECEIVERS," by McGrath, et al.

No other changes to the claims or specification are made by the present amendment.

If any fees are owed in connection with this paper which have not been elsewhere authorized, authorization is hereby given to charge those fees to Deposit Account 18-0013 in the name of Rader, Fishman & Grauer PLLC. If the Examiner has any comments or suggestions which could place this application in even better form, the Examiner is requested to telephone the undersigned attorney at the number listed below.

Respectfully submitted,

Steven L. Nichols
